

Monte Carlo Night!

Check in @ 6:00 - Bowling @ 7:00

Cost: \$15 per person*

BASIC RULES

Monte Carlo Bowling is based on a regular 10-pin bowling format. There are three colored pins on each lane: orange, yellow and green. If you have colored pins in your rack in a certain configuration, it can be worth money! For example, a strike with a colored pin in the headpin position is worth \$1.00, a strike with colored pins in the #1 and #2 positions is worth \$2.00, etc. (see the back of this page for other layouts and payouts). A spare with colored pins in any position is worth at least 25¢. **You must make sure your winning layout is recognized by the caller before you bowl.**

LUCKY TICKET RAFFLE DRAWINGS

5 Tickets for \$3.00

10 Tickets for \$5.00

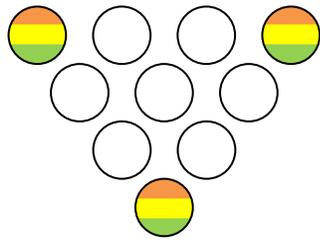

25 Tickets for \$10.00

Everyone who signs up to bowl Monte Carlo gets one free raffle ticket, but more are available for purchase any time before the first game. There will be a jackpot drawing between games 1 & 2, between games 2 & 3, and after game 3. If your ticket is drawn, and you bowl a strike, you win the jackpot, the amount of which is determined by how many tickets are sold. If the first or second jackpot is not won, it rolls over to the third. If, at the end of the night, there is still uncollected jackpot money, it rolls over to the next Monte Carlo night. The jackpot drawings will not exceed \$250 - and if we have more than one jackpot of \$250, we will guarantee at least one of them will be won that night! We may also draw tickets for dollar strikes, gift certificates, free games and other items.

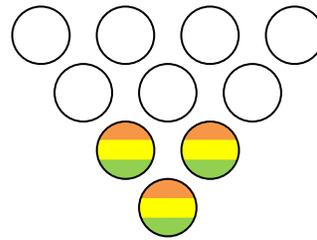

Bowlers must be 18 or older to participate in Monte Carlo. Freedom Lanes reserves the right to change the format of Monte Carlo at any time at its discretion, with or without notice, or to cancel Monte Carlo if we don't have at least 18 bowlers signed up and paid by the 7:00 start time.

**Cost may be more for special events.*
